VSA-Wall Washer Luminaires

Проектирани са за светлинни решения на места като магазини, супермаркети, изложбени зали. Предлагат се с електронен или конвенционален баласт.

Корпус: от метал, с антикорозионно покритие и прахова боя.

Отражател: направен от чист алумий, с възможност за покритие с UV – защитен лак.

Designed to meet the lighting requirements of the places like the shops, supermarkets, exhibition halls. These luminaires are fitted with electronic or magnetic ballasts.

Body: is made of metal sheet and before the painting process, first coated with iron phosphate against any corrosion and later plated with an electrostatic powder.

Louvre: made of pure anodized aluminium. Furthermore white lacquered reflectors are available for the protection against any UV
